Hollywood Bed & Spring Mfg. Co., Inc.

Hollywood Bed has been a leading supplier of bedding support products to the home furnishing, hospitality, contract and government markets for more than 80 years. As a family owned business, we are aware that we must meet and exceed the expectations of our customers. Thus, we are committed to providing quality products, value priced, with unparalleled customer service.

Hollywood Bed manufactures a variety of products including: metal bed frames, bed rails, center support systems, rollaway beds, metal bed bases, high-risers, daybed hardware and accessories. In addition, we design and distribute a style-conscious line of beds, daybeds and upholstered headboards. Quality, durability, ease of assembly and safety are characteristics of our products.

Our goal is to create a program that will provide products that fulfill your needs, while keeping your inventories at manageable levels. We would be pleased to work together to achieve your objective.

The years ahead herald a period of development and growth and we look forward to the opportunity to service your business.

Thank you for taking the time to review our portfolio of bedding support products.
